

The Seeing is Believing Tour: Monday June 29th, 2009

Participants will have the opportunity to meet the people who work everyday to make a difference in our community. We will hear the stories of those whose lives have been changed, and to see the impact of a gift to United Way of Fort McMurray.

The Centre of Hope 2:00 pm - 2:45 pm #1 McLeod Street
is a social project of the Fellowship Baptist Church, created to assist the homeless and underemployed in overcoming the “road blocks” that prevents them from achieving a sustainable existence. Patrons can use practical resources as well as emotional & professional assistance, support and advocacy to help them move beyond crisis and toward long-term goals.

The Salvation Army 3:00 pm - 3:45 pm Salvation Army 9912 MacDonald Ave
Mission Statement: “The Salvation Army exists to share the love of Jesus Christ, meet human needs and be transforming influences in the communities of our world.” Clients of the shelter are provided nutritious meals, bath/shower, clothing and laundry facilities, and shelter in a secure, safe environment.

Stepping Stones Youth Home 4:00 pm - 5:00 pm 101McConachie Cres.
In the spirit of the adage “it takes a community to raise a child.” The Stepping Stones Youth Home Advisory Committee & Wood’s Homes have been working diligently to address the lack of support services for homeless and near homeless youth and their families. The Stepping Stones Youth Home Advisory Committee has representation from a wide variety of community organizations and individuals who believe all youth deserve a safe and healthy place to live. As a community, it is our responsibility to establish the social safety nets required to ensure that all of our citizens-including youth-feel safe and secure within our society.

The Hub Family Resource Centre 5:00 pm – 6:00 pm Centre # 118 Millennium Drive
is a community based “one stop” facility designed to welcome families in accessing community resources and available supports. The Hub works to strengthen the natural supports that exist at the family, community, and regional levels. Community residents will have access to multi-agency programming within a centrally located facility. The Hub is a parent/child interactive facility in which parents must remain with their children to optimize their experiences.

6:00 pm

Back to the United Way office.
